

TRILLIUM MUNICIPAL SUPPLY INC.

WIPER SHAKER COMMENTS:

"Excellent product to have during freezing rain or wet snow. They keep the windshield clear of ice, and we have them on every truck"

Steve Gillies, Township of King, King City, Ontario

"We have the shakers on both sides of the windshields on our plows and the guys really like them"

Henry Flinsenbergh, County of Oxford, Woodstock, Ontario

"While plowing snow during storms it's always hard to keep the windshields clear. The Wiper Shaker eliminates the need to pull over, stop the truck, and get out to manually clear away the slush and ice build-up. A great safety feature....."

Dave Parker, City of Owen Sound, Owen Sound, Ontario
